

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of:

CALATAYUD, et al.

Serial No. 08/278,112

Filed: July 20, 1994

For: ESTERS PREPARATION FOR THEIR PREPARATION  
COMPOSITION AND METHODS FOR THE TREATMENT  
OF INFLAMMATORY CONDITIONS

Group Art Unit: 1202

Examiner: M. Grumbling

*AMENDMENT UNDER RULE 115*

Honorable Commissioner of  
Patents and Trademarks  
Washington, DC 20231

February 13, 1995

Sir:

Responsive to the Office Action (Paper No. 28) of October 13, 1994, kindly amend the claims of the above-identified application as follows:

Claim 1, line 7 and 8, change the entire text to read: --R<sub>1</sub> is cyclohexyl,--.

*REMARKS*

Favorable reconsideration is respectfully requested in view of the preceding amendments and the following representations.

Antecedent support for amended claim 1 is provided by original claim 1; the meaning of R<sub>1</sub> has merely been limited to one of the five originally-presented meanings. Please note that the restricted meaning of R<sub>1</sub> is that which was recognized by the Examiner as being significantly different, as confirmed by the fourth sentence of the paragraph bridging pages 6 and 7 of Paper No. 28.
